JAMESTOWN MALL
REDEVELOPMENT

Public Forum #2

Join us on **Wednesday, September 21, 2022, from 4:30 -7:30pm, at the Saint Louis Zoo WildCare Park (12385 Larimore Road, Spanish Lake, MO 63138)** as the Jamestown Mall Market Analysis and Feasibility Study team

share the three land use scenarios undergoing final analysis. These scenarios are based on input and feedback gathered throughout the community outreach process and the market analysis. The land use scenarios include Jamestown Green Estates, Jamestown Village and an Agriculture and Energy Technology Annex. The public forum will be an open house style meeting where participants will have the opportunity to talk one-on-one with team members and offer feedback on the proposed three scenarios. No formal presentation will be given, so stop by anytime between 4:30 -7:30pm and let's continue to work together to reimagine Jamestown Mall.

Please visit www.ImagineJamestownMall.com to learn more about the project and watch an overview video about the three land use scenarios.
